FOR IMMEDIATE RELEASE

**Industry Veteran Joins National Tax Search as
Vice President of Residential Sales**

Chicago, IL. -- (February 12, 2007) -- **National Tax Search, LLC** (NTS), a nationwide provider of property tax management services, has announced the addition of Tom Woods to the company's leadership team as Vice President of Residential Sales. In his role, Woods will be the primary contact for residential servicing executives interested in working with NTS to strengthen their property tax management program and grow their overall loan portfolio. He will also be responsible for the sales of Title and Settlement services and will assist Ginger England, Director of Sales and Business Development, in the NTS Sales Department.

Woods is entering NTS during an exciting time, as they are now offering comprehensive property tax services to the residential market as a new product line through TaxQ, the industry's most advanced property tax system. Servicers will now have access to tax certificates as well as tax monitoring, reporting, payment and other services for residential properties nationwide with the unmatched customer service and technology NTS has consistently offered to the commercial servicing market for the last decade.

"I am very pleased to be joining National Tax Search," said Mr. Woods. "Not only does the company offer expertise in the simplification of tax management and consulting, but they offer an innovative property tax system that delivers a customized solution to each client. I am excited about the expansion of residential services and look forward to helping both NTS and servicers meet their objectives."

Woods began his career in the mortgage information industry with one of the nation's leading provider of tax and flood data. He earned his Bachelor of Science degree in Business Administration from California State University, Hayward, and is an associate member of the Mortgage Bankers Association, and the California Mortgage Bankers Association.

"Mr. Woods has 20 years of experience designing and delivering customized mortgage information solutions that accelerate the loan origination process, reduce the

cost of post-closing functions and mitigate risk and loss of collateral,” said Lori Eshoo, president and CEO of National Tax Search. “We expect his strong industry and business expertise to be very beneficial and productive for both NTS and our prospective clients.”
